PLEASE NOTE: NO STALL IS TO COMMENCE TRADING BEFORE 2PM. NO EXCEPTIONS.

POWER & GAS & FIRE EXTINGUISHERS

Power boards are to be off the ground and leads are to be 2.5 metres safely from the ground.

No double adaptors are permitted.

Stallholders will be liable for any damages caused by faulty electrical equipment.

All electrical equipment must be tested and tagged prior to Markets commencing.

Gas bottles must but be fitted with safety valves and stored appropriately.

All Food Stalls using deep fryers must have fire extinguishers and a fire blanket.

INSURANCE

All Permanent Stallholders must have a current public liability insurance policy and supply a copy of your policy with this application.

PHOTOGRAPHY

Photographs may be taken of your stall/staff throughout the Market season by the Market Co-ordinator or Assistant Co-ordinator to be used in media and advertising, to promote the Palmerston and Rural Markets.

HEALTH & SMOKING & ANIMALS

All Food Stalls are to **supply a copy of their NT Health Department Certificate with this application.**

It is the Stall Holders responsibility to comply with the NT Health Act.

The Market Precinct is a Smoke Free Zone, in accordance with Northern Territory Government requirements.

Smoking is permitted STRICTLY 2metres outside the Market Zone Area (map at information stall).

Animals are prohibited unless permission has been given (e.g. Petting Zoo, Animal Welfare and Aid Dogs).

VEHICLES AND TRAFFIC MANAGEMENT

All vehicles entering the site must turn on their **HAZARD** lights while the vehicle is moving. **Vehicles must give way to pedestrians and follow traffic controllers' instructions.** Vehicles reversing or maneuvering a trailer must have another person watching out for pedestrians and other vehicles. **On arrival you must first remove all stall items from your vehicle** – then remove your vehicle immediately from the Market area so other stallholders may enter too. All vehicles are to be removed from the Market area by 4:30pm. **No vehicles are to remain during trading hours unless authorized by the Co-ordinator. Stalls are to be packed up before** you bring your vehicle in for loading at the close of each trading night. **Vehicle re-Entry to the Market Precinct is STRICTLY from 9.15pm only. No exceptions.**

WASTE & CLEANLINESS

Waste water must be disposed of at the sullage pit and waste cooking oil at the oil tank only. **Please avoid spillages and notify the Co-ordinator of a staff member if a spillage occurs! Cardboard is to be flattened and put in the blue recycling bin. Stall sites are to be clean and tidy at the end of night.**

Stallholders will be liable for charges incurred for negligence or non-compliance.

SITE ALLOCATIONS, APPROVALS

The Co-ordinator and Committee may change or re-allocate the position of any stall without notice.

You will be advised of **the outcome of your application** following the next Committee Meeting.

APPLICATION VARIATIONS

Variations to this application must be requested in writing and are subject to committee approval.

Variations may include additional or changed products or stall ownership.

COMPLIANCE & BEHAVIOUR

By signing this application, **you and your staff are agreeing to comply** with all requirements listed, including payment of fees, Council By-laws, Territory Government and Commonwealth laws and regulations. Failure to comply with the details of this application, audit failure, or inappropriate behaviour and conduct will result in immediate action and may result in the cancellation of site allocations or your permit to trade.

ENTERING AND EXITING THE MARKET

Traffic management staff will be at the Market entry points (from 8.30am) and exit points (from 9.00pm) to ensure that you enter and exit the Market safely and do not endanger the general public or damage the site with your vehicle.

You must obey their instructions and have your flashing hazard lights on when driving inside the Market Area! Any damage caused to the site garden beds or grassed areas by your vehicles or stall activities will be reported to the Committee and Co-ordinator and you will be required to pay for any measures needed to fix the damage. Failure to do so may result in the suspension of your permit to trade in the Market until the damage bill is paid.

Note: Arrows mark the only permissible vehicle entry and exit points for the Market.
