# **RULES & REGULATIONS**

### TRADING DATES & TIMES

First Market Date: 2nd May 2025

\*\*\*\*\*\*

Last Market Date: 31st October 2025

All stalls are to be operational and open from 5pm till 9:00pm. If a stall has sold out before the market closing time the stall is to display a <u>SOLD-OUT</u> sign and remain open with lights on. Stalls should carry enough stock to ensure the ability to trade until 9:00pm. Stalls that sell out before 8:30pm more than three times in a row will be referred to the committee for review of their position at the Market.

PLEASE NOTE: NO STALL IS TO COMMENCE TRADING BEFORE 2PM. NO EXCEPTIONS.

### POWER & GAS & FIRE EXTINGUISHERS

Approved signal Switch Power boards are to be off the ground and leads are to be 2.5 metres safely from the ground. All ground Power cables must not pose to be a trip hazard and be covered in accordance with work safe rules.

### Double Adaptors are not permitted.

Stallholders will be liable for any damages caused by their faulty electrical equipment.

All electrical equipment must be tested and tagged prior to Markets commencing.

Gas bottles must but be fitted with safety valves and stored appropriately. All gas installations must be certified and have a compliance plate fitted.

### All Food Stalls using deep fryers must have fire extinguishers and a fire blanket.

All Stalls are strictly to adhere to Work Safe Regulations with no exception. The Market coordinator will conduct inspections prior to the start of the first market of the season and at random stages of the market season.

### **INSURANCE**

All Permanent Stallholders must have a current \$20m public liability insurance policy and supply a copy of your policy Certificate of Currency with this application. If policies expire through the season a copy of the renewed policy must be sent to the committee. Stalls without valid policy will be suspended from trading.

### **PHOTOGRAPHY**

Photographs may be taken of you, your stall, and your staff throughout the market season by representatives of the Palmerston and Rural Markets. These are to be used for social media, advertising, and marketing of the Palmerston and Rural Markets.

### HEALTH & SMOKING & ANIMALS

All Food Stalls are to supply a copy of their NT Health Department Certificate AND Food Safety Supervisor Certificate (SITSS00069) with this application to trade.

It is the Stall Holders responsibility to comply with the NT Health Act. Any stall that has had their Health Department certification suspended or cancelled they must immediately cease trading at Palmerston Markets, and immediately notify the committee of the circumstances. If the Health Department Certification is reinstated the stall holder must first receive approval from the committee before returning to trading at Palmerston Markets.

The Market Precinct is a Smoke Free Zone, in accordance with Northern Territory Government requirements.

Smoking is permitted STRICTLY 2 metres outside the Market Zone Area (map at information stall). Animals are prohibited unless permission has been given (e.g., Petting Zoo, Animal Welfare and Aid Dogs).
